

Confidence intervals

- z_int.sci** - interval for expectation (known variance)
- t_int.sci** - interval for expectation (unknown variance)
- t_int_2n.sci** - interval for two expectations
(*independent samples, different variances*)
- t_int_2p.sci** - interval for two expectations
(*paired samples*)
- t_int_2s.sci** - interval for two expectations
(*independent samples, equal variances*)
- var_int.sci** - interval for variance
- prop_int.sci** - interval for proportion
- prop_int_2.sci** - interval for two proportions
